

STUDENT GIFTS AND SOLICITATIONS

Pupils, parents, and other patrons of the district shall be discouraged from the routine presentation of gifts to district employees. When a pupil feels a spontaneous desire to present a gift to a staff member, the gift shall not be elaborate or unduly expensive. The Board shall consider as always welcome, and in most cases more appropriate than gifts, the writing of letters to staff members expressing gratitude or appreciation.

This policy shall not be interpreted as intended to discourage acts of generosity in unusual situations, and simple remembrances expressive of affection or gratitude shall not be regarded as violations of this policy.

The solicitation of school children through the schools for the benefit of various organizations shall be terminated and such practice shall not be permitted in the schools of the County.

In addition, the solicitation by students in the schools and in the community for various in-school or out-of-school causes to raise money for any school, or school organization or group, shall be permitted only with approval of the Superintendent.
